

“Our students ought to be taught fundamental lessons that say democracy is precious, democracy is perishable, democracy requires active attention, and democracy requires hard work.”

Learning About Leadership

The 2022 Lazarus Fellows held a series of conversations with former Fellows and leaders from A Wider Circle, National Center for Children and Families, Button Farm Living History Center, Bethesda Urban Partnership, justupthepike, KID Museum, and Bethesda-Chevy Chase Rescue Squad. In September, the Fellows held a session to reflect on what they learned from their summer projects and supported the regional Interfaith Unity Walk.

In 2023, our introductory session will be on Sunday February 12 from 2 to 5 p.m. at A Wider Circle and will include some time volunteering. On Sunday April 30, we will hold an all day session at a ropes course. On Sunday afternoon May 7, we will volunteer at the Button Farm Living History Center. Other sessions will be held on Sunday evenings from 6 to 8 p.m. on March 5, 12, 19, and 26, April 16, and May 21. Fellows are expected to participate in all of these meetings.

“I learned that communication and teamwork are crucial to successful leadership. Over the summer these were things that I used every day with my group members and were important to running our camp successfully. I feel that I have already developed these traits over the summer, and I know they will be very useful to me in the future.” — Lazarus Fellow

Serving the Community

Each Fellow designs a community service leadership project that requires a commitment of 200 hours during the summer. The purpose of the project is to effect change—to make something happen that might not happen without the initiative of the Fellow. The Program Founder works with the Fellows to select and design service projects, which may be team projects of more than one Fellow.

Reflecting on and Celebrating the Experience

On the afternoon of Sunday September 10, the Fellows will help staff an Interfaith Unity Walk along Massachusetts Avenue and then meet to share and reflect on their experiences. A graduation ceremony follows on Monday evening October 2 at the Strathmore Hall Mansion.

Personal & Project Expenses

In mid-June, as they begin their service projects, each Fellow receives \$250 for meals, transportation, and expenses for the summer.

Stipend or Community Service Credit

Upon completion of the program in September 2022, Fellows elect to receive \$750 or credit for 200 student service learning hours. To receive the \$750 or the service hours credit, a Fellow must participate in the seminars and summer meetings, complete a journal reflecting on the entire Fellowship, and submit a report on his or her project that includes an evaluation from the Fellow’s supervisor.

EXTRAORDINARY TEENS

Congratulations to four Lazarus Fellow alumni who have been named winners of *Bethesda Magazine’s* prestigious Extraordinary Teens award since 2018: Vikram Akwei (Lazarus 2016) in 2018, Karina Vasudeva (Lazarus 2018) in 2020, JD Gorman (Lazarus 2019) in 2021, and Sammer Hajhamad (Lazarus 2020) in 2021.

TWENTY-SEVENTH YEAR OF SERVICE TO OUR COMMUNITY

Named in honor of Julius and Dorothy Lazarus in recognition of their years of service to the children of the Bethesda area and the generous financial support provided by their foundation, the Lazarus Leadership Fellows Program helps prepare 15 high school juniors and sophomores for their citizen leadership responsibilities each year. Since 1997, the Lazarus Fellows have completed more than 74,000 hours of service to our community.

All previous groups of Lazarus Fellows tell us it was a life-changing experience. An applicant a few years ago recalled an end-of-summer conversation with a Lazarus Fellow:

“I was amazed at the scope and detail that went into his endeavor, but the real shock came when I asked, ‘Who is running this program?’ and he replied ‘Oh, me.’ He described the way he was able to literally create this program from the ground up. He was immensely happy with the idea that he could challenge himself the way he did and for the results to be self-evident.”

STUDENTS ELIGIBLE FOR THE PROGRAM

The Fellows Program is open to all 10th and 11th grade students living in the Bethesda-Chevy Chase community. Each year, at least 12 of the 15 Fellows are students at B-CC High School. Past Lazarus programs have also included students from area public and private schools. The program seeks a diverse range of students.

Fellows are selected on the basis of demonstrated academic ability and service to the community. The most important part of the selection process is an essay describing an issue about which the applicant feels passionately enough to devote 200 hours of community service during the summer. The selection committee is made up of business and civic leaders, a parent, a teacher, a former Lazarus Fellow, and a representative of Leaders Institute.
