Dear Kingsview Families,

Students are expected to bring individual organizational tools and personal supplies (such as notebooks, pencils, and paper) from home. Please see the attached Recommended School Supplies list. We do not have course-related fees for textbooks, supplementary readers (such as anthologies, atlases, or workbooks), most materials of instruction, audiovisual aids, stationery items not commonly found in the home and required for the student to demonstrate mastery of course objectives, or building or office materials needed to operate schools.

There are student fees which are not course related. These may include class fees, special team activities, etc. There also may be fees related to field trips, but these will be shared each time there is a trip. Examples of possible fees include band/chorus T-shirts, Music in the Parks Festival field trip fee, Outdoor Education field trip fee (Grade 6), and End-of-Year Activities fee (Grade 8).

In circumstances when a fee is charged, we are committed to providing all students, regardless of their economic circumstances, with full access to all courses, instructional materials or field trips required for the instructional program. A student, his/her parent or guardian, or any student advocate may request an adjustment to the fee associated with a course or field trip. Please contact the teacher, the counselor, or the administrator who will work with you to meet your needs. You and your child will have options that include a schedule of payments, a reduced fee, or a complete waiver.

If you have any questions regarding the fees being charged at our school for the 2024-2025 school year, please contact Ms. Sonia Lee, our new school financial specialist, at 240-740-7139 or via email at [Sonia\\_E\\_Lee@mcpsmd.org](mailto:Sonia_E_Lee@mcpsmd.org).

Sincerely,

Dyan L. Harrison  
Principal
