

# TAWS

## TranZed Academy For Working Students

The TranZed Academy for Working Students offers MCPS high schools a path toward career and college through a combination of flexible academic schedules, career coaching and career preparation.

### HOW TAWS WORKS WITH SCHOOLS

Builds connections with employers, helping to hone in on the **exact skills and experience businesses want and need**

**Individualized Career Plans (ICP)** keep students on track toward career and college, **boosting graduation rates and improving stats on post-grad success**

TAWS **manages schedule, attendance, grades, SIS & transcript**, streamlining the relationship between school, student & employer

Opportunity for schools to **be part of an innovative movement** supported by local, state and national leadership **without internal risk**

### HOW TAWS WORKS FOR WORKING STUDENTS

Enables working students to **adjust academic schedule to fit around work obligations** while staying on the path to graduation

**Mentorship from Career Coaches** who work with students throughout the calendar year **helping them solve academic and career problems**

**Post-graduation planning to help** TAWS students **enter income boosting registered apprenticeships and college programs.**

Enhanced career prospects built through **career coaching** and **opportunity for dual enrollment to earn college credits**
