Re. Data Deletion Request for 2018-2019

Dear Thomas Chapman and to Whom It May Concern:

This letter is to affirm that Liminex, Inc. doing business as GoGuardian has deleted Personal Student Information for the 2018-2019 school year per Montgomery County Public Schools' request. "Personal Student Information" means information collected through GoGuardian's products that may, alone or in combination with other available information, be reasonably used to identify a current or former student enrolled in a K-12 school or K-12 school district.

Sincerely,

A handwritten signature in black ink, appearing to read "Anthony Dell", with a stylized flourish at the end.
