***MCPS Acronyms and Initialisms* is produced by the Editorial Help Desk**—an ongoing service of the Editorial, Graphics & Publishing Services (EGPS) unit of the Department of Materials Management. We help MCPS school-based and central services office staff by responding to their queries related to correct grammar and style usage and by editing special projects. We also work with students in summer programs, provide special grammar workshops for staff, and host an editorial summit periodically. We publish the *MCPS Correspondence Manual* and the *MCPS Editorial Stylebook*.

The Editorial Help Desk has created an authoritative website as a dynamic reference tool—interactive and user-friendly—that addresses grammar and style usage questions of particular interest to the MCPS community.
