

2017–2018 Third Quarter ENERGY AWARDS

The **SCHOOL ENERGY AND RECYCLING TEAM (SERT)** program is pleased to announce that our schools made significant efforts to save energy during the third quarter (March—May 2018) of the 2017–2018 academic year. During these challenging budgetary times, any avoidable operating costs will have a positive impact on the educational initiatives of Montgomery County Public Schools (MCPS). Nearly half of our schools demonstrated great energy management behavior and showed energy savings compared to their baseline.

Schools achieving top energy cost avoidance as compared to their baseline usage are eligible to receive quarterly monetary awards. The baseline for each school is an average use of their prior five school years for the same quarter. Schools without an established baseline are eligible to receive a monetary Great Energy Management (GEM) award which is based on demonstrated active participation in the SERT program and energy-efficient behavior.

We applaud all of our students and staff for their commitment to conservation and sustainability and congratulate the following 46 MCPS schools for earning SERT energy awards:

MCPS SCHOOLS WITH—

- GEM STATUS
- SAVINGS GREATER THAN 5%
- SAVINGS UP TO 5%
- NO SAVINGS

ELEMENTARY SCHOOLS

- | | | |
|---------------------------------|--------------------------------|------------------------------------|
| Arcola Elementary School | Cloverly Elementary School | Lois P. Rockwell Elementary School |
