Opening Inspiration Files From any Computer Using MyWebspiration

MyWebspiration is a free online version of Inspiration that can be accessed from any computer connected to the Internet. If you have a file created in Inspiration version 8 or later, then you can open it on a computer that does not have Inspiration installed using MyWebspiration.

1. Go to http://mywebspiration.com

2. Sign up, or if you already have an account, sign in

3. Click the open button on the main starter screen

4. Click "upload" in the toolbar at the top

5. Navigate to where the Inspiration file is saved
6. Your organizer opens in MyWebspiration
7. If you would like to make changes to use later in Inspiration or elsewhere, save your web using the appropriate option in the Document menu
