

DIAMOND MINE

Diamond Elementary School
MARCH 2023

Dear Diamond Elementary Families,

March has quickly come upon us and we are half-way through the third marking period. Our students have been working very hard and we are very proud of their efforts.

During the month of February, students and staff enjoyed classroom Valentine's Day parties!

During the month of March, we have some fun school events planned. On March 1, 5th grade classes are going on a field trip to Skate Zone. 1st grade has an assembly scheduled on May 6th with Eric Energy. 2nd grade has an assembly on March 9th scheduled with the City of Gaithersburg Mayor Ashman and City Council member Mr. McNulty. 2nd Grade has a field trip to Imagination Stage scheduled for March 24th.

If you have any questions, please contact the school's main office staff at 240-740-2120.

Sincerely,

Daniel Walder
Principal

MARCH CALENDAR

Wednesday, March 1st

5th grade field trip to Skate Zone

Thursday, March 2nd

Incoming Kindergarten Parent Meeting
@ 9:45 am

Friday, March 3rd

Early Release Day– Student Dismissal
begins at 1:20 PM

Monday, March 6th

1st Grade Assembly– Eric Energy

Incoming Kindergarten Parent
Coffee from 9:45-10:45 AM

Friday, March 24th

2nd Grade Field Trip to Imagination
Stage. 3rd Grade Assembly

Monday, March 27th, Spring Individ-
ual Pictures, Class Pictures and Group
Pictures.

Thursday, March 30th, Last Day of
the 3rd Marking period.

Friday, March 31st, No School for
Students

End of Day Plan Policy- Changes to Normal Dismissal Plans: Students will be sent home using the daily routine communicated by the parent with the school. If a student's plans require a change from their normal dismissal, all changes must be made in writing by note or email to the school. Play dates should be prearranged in advance of the school day. If you forgot to send a note in the morning, or in the event of last minute changes to a student's dismissal plans, please call the main office prior to 3:00 p.m. Any adults who come to pick up a child will be asked to show documentation to verify identification and ensure student safety. Students cannot ride home on friend's school buses for playdates.

Incoming Kindergarten Parent Coffee: We have held 2 Incoming Kindergarten Coffees on February 15th and March 2nd. Our Last Incoming Kindergarten Parent Coffee will be held on March 22nd. Diamond Elementary will be holding the Incoming Kindergarten Parent Coffee for parents who will be sending their child(ren) to Diamond Elementary next fall for Kindergarten. The Incoming Kindergarten Parent Coffees are scheduled from 9:45-11:00 a.m. This event is for parents only. To register for the Incoming Kindergarten Parent Coffee, please complete the online-form to RSVP <https://forms.gle/SuYxo4Ef1B9UdiXVA> your attendance at the Incoming Kindergarten Parent Coffee Please call the main office at 240-740-2120 to RSVP. Per Maryland State Department of Education regulations, to be eligible to enter kindergarten for the 2023-2024 school year, **children must be five years of age by September 1, 2023. Children who will turn five years old between September 2 and October 15, 2023 are eligible for consideration for the early entrance to kindergarten process.** Contact Mrs. Chimera or Mrs. Knight in the main office for more information on the early entrance to kindergarten process. The Incoming Kindergarten Coffee will provide parents who are unfamiliar with our kindergarten program with a sneak peek into the Kindergarten program at Diamond ES, a description of the Kindergarten Orientation process, a tour of the school and kindergarten classes, and a question and answer session at the end. We ask current Diamond families to pass this information onto any neighbors who may have a child that will be turning 5 years old and will be enrolling in Kindergarten next school year.

Student Safety Reminders: If your child walks to/from school, please review safety rules with them accordingly. Students should only cross a street at a stop sign, designated crossing area, traffic light, or where a crossing guard is posted. Car-riders driving through the Diamond community should adhere to speed limit postings and drive with caution.

Health, Wellness, & Safety Notice: For health and safety reasons, students are only permitted to bring in food for personal consumption. DES has many students with severe food allergies and contact and/or ingestion of these allergens can be life threatening. Under no circumstances should food be shared amongst students while at school. Please remind your children of the dangers of sharing food and consuming food from others while at school.

Cold Weather Reminder: For students participating in-person learning at Diamond ES, please be sure to send your child to school dressed for the weather. An idea to consider is having your children layer clothing, so that the child can take off a sweater or sweatshirt depending on the varying temperatures. In addition, students should have a warm jacket, gloves and a winter hat for arrival/dismissal and outdoor recess. We have noticed many children wearing shorts and no jackets when it is in the 30's and 40's. We strive for the students to have outdoor recess everyday, weather permitting. In order for the students to go outside for recess, the temperature needs to be at least 32 degrees (including wind-chill) and reasonably dry/damp conditions on the recess blacktop and wood-chip area. We believe that the time outdoors each day is important for the children as a way to release energy and build concentration for afternoon instruction. With the current chilly temperatures students will need a winter jacket, winter hat, and gloves for outdoor recess.

Financial Aid: Financial aid is available for school field trips. Please contact your child's teacher, Mrs. Christie Meuer or Mrs. Kerri Brown school counselors, or the Diamond Elementary School office if such help is needed.

MCAP Assessment for Grades 3-5: The state of Maryland MCAP assessments are aligned to the Common Core State Standards, which serve as the foundation for MCPS Curriculum 2.0. The MCAP assessments are computer based and are administered during the month of April/ May. The students in grades 3-5 will complete four sessions in English/Language Arts and four sessions in Mathematics. Student results of the MCAP assessment are mailed home to parents in August/September. For our school, the MCAP testing days are listed below.

Parents can assist in the following ways which include:

- Ensure your child is reading independently every night. Reading can vary from fiction and non-fiction texts.
- Ask your child comprehension questions to ensure they understand what they are reading.
- Review basic math facts: multiplication, division, addition and subtraction
- Make sure your child is in attendance each day for the state assessments (please see assessment chart below)
- Make sure your child has plenty of rest the night before and a healthy breakfast.
- Communicate to your child that they should do their best and “stick with it.”
- Please do not schedule doctor appointments or family events during the MCAP testing schedule for your child’s respective grade level.

MCAP Grade Level Testing Dates

Testing	Date/Time
MISA GRADE 5 (Science)	Grade 5 – Mornings (AM) of March 15, 16, 17
MCAP English Language Arts (Literacy)	Grade 3 – Mornings (AM) on April 24, 25, 26, 28 Grade 4 – Afternoons (PM) on May 1, 2, 4, 5 Grade 5– Mornings (AM) on April 24, 25, 26, 28
MCAP Math	Grade 3 – Mornings (AM) on May 1, 2, 5, 8 Grade 4 – Mornings (AM) on April 17, 18, 19, 20 Grade 5 – Mornings (AM) on May 1, 2, 5, 8

Morning (AM) testing time usually ranges from 9:30 a.m. to 12:30 p.m. Afternoon (PM) testing time usually ranges from 12:30 p.m. to 3:30 p.m.

For more information about the MCAP assessments, visit the MCPS website <https://www2.montgomeryschoolsmd.org/curriculum/mcap/>. For more information about the MCAP assessments, please contact the school, your child's teacher, or our school testing coordinators Mr. Neuman-Sunshine and Ms. Schwindaman.

Student Plans and Input for the 2023-2024 School Year

School Enrollment Plans for 2023-2024 (For Families currently in grades K-4):As we begin to plan for the 2022-2023 school year, we need identify our actual enrollment which then has an impact on the number of staff allocated to our school. Please complete this form by March 30, 2023 to indicate if your child will be returning to Diamond ES or not returning. Complete one form per child. Only fill this form out for students currently in grades K-4. If your child is in 5th grade and moving to middle school next year, this form should not be completed. **School Enrollment Plans Form for 2023-2024:** <https://forms.gle/evZaU98XgxfB49Qj9>. Please complete this survey form by March 30, 2023. Thank you for providing us with this information as we plan for the next school year.

Diamond ES Parent Input on Student Profile Form for 2023-2024 School Year For Families Currently in Grades K-4: With the end of the current school year quickly approaching, thoughts turn to planning for placement of students in classes for the next school year, 2023-2024. Your child's current teacher will advocate all she/he knows about your child's individual needs and capabilities for the placement decision, as we complete a thorough articulation process for each and every student. Parental input is also valued in the decision making process and the online form below can be used to provide the school with such information. In addition, this optional input form will be passed on to your child's new teacher in the fall. This optional input form should not be used to make a specific teacher request. (teacher requests will not be honored).

The process for composing classes for the upcoming year is a task that we take very seriously through careful and thoughtful consideration as we all want the best for all of the children at Diamond. It is important to ensure a productive classroom learning environment for your child as well as for all children at Diamond. The Diamond staff wants you to know that we are committed to providing classrooms in which each child will have the opportunity for learning and personal growth. When making class placements we consider the following variables as we aim towards creating a well-balanced, productive learning environment for all students:

- Relationships among individual children
- Compatibility between the individual child's learning styles/needs and the classroom environment.
- Heterogeneous placements of student's academic achievement levels
- A balance in terms of gender, ethnicity, and race
- The varying degrees of adult assistance needed by children for successful learning

If you are interested in providing this information to be considered as decisions are made for class placement for next year, please complete the electronic profile form as soon as possible and no later than March 30, 2023. If you provide this form to the school after March 30th, there is no guarantee this information will be used in the class placement process.

DES Student Profile Form: <https://forms.gle/C1JUjpvNzCjwiLc6>- **Due March 30th.**

Please complete an individual form for each child in your family that will be attending Diamond ES for the 2023-2024 school year. It should be noted that this form is not to be used for specific teacher requests. Such requests will not be honored. Diamond Elementary values parental input and precludes specific teacher request in our process for class placement. This optional form is a way of offering opportunity for those of you who wish to provide parental input. Further confidential concerns about student class placement for 2023-2024 may be addressed in writing to the principal, Mr. Daniel Walder via email: Daniel_walder@mcpsmd.org.

We expect that parents will trust and respect the judgment of the Diamond staff in making placement decisions. We appreciate your support in our efforts to best serve the instructional needs of your child. Diamond Elementary staff members work together to draft initial groupings and class lists in May/June, but these are not finalized until late in the summer when we have the most up-to-date enrollment information. You and your child will be notified between August 21st-25th of the class placement decisions. The first day of school for the 2023-2024 school year is Monday, August 28, 2023.

Safety Reminders: The safety of students is our top priority. With that in mind, it is important periodically to share reminders with our Diamond Elementary School students who walk to and from school.

When students are traveling to and from school, it is critical to look both ways before crossing the street. While we encourage all motorists to be on the lookout for students in the morning and afternoon, there's always a possibility that a driver could be distracted. It should never be assumed that a driver will stop.

At intersections with crossing guards, it is critical for students and motorists alike to follow their direction. Crossing guards are trained to ensure the safety of students!

Students should avoid speaking to strangers and never get in the car of someone they do not know. Students, if a stranger approaches you, immediately get away and tell a trusted adult and school staff.

The City of Gaithersburg Police Department has provided the following suggestions for students:

- Students should know a direct route to the school and parents should walk the route with their child(ren) before allowing them to walk the route alone.
- Obey all traffic laws and use crosswalks when available.
- Young children should be accompanied by an adult when walking to school, especially when crossing a roadway.
- Students should refrain from using electronic devices or headphones while walking.
- Be aware of your surroundings and walk with a buddy or group.
- Avoid secluded routes or short cuts.
- Know an alternative route home if the primary route is unavailable (road construction, emergency, etc.).
- Wear bright clothing.
- Do not provide a stranger with any information about yourself or the school you attend.
- If a motorist stops to ask for directions or for help finding a lost pet, never approach the vehicle.
- Never accept rides from strangers, or even people you know, without permission from your parents.
- If someone calls out to you, approaches you, or makes you feel uncomfortable, quickly get to the nearest adult you trust and tell them what happened.
- See something, say something! Report suspicious activity to a trusted adult, parent, police or school official.

We encourage all parents and guardians to review these reminders with their child(ren).

Diamond Elementary Yearbooks

Order Your Diamond ES Yearbook Now: In conjunction with Classic Photography, Diamond Elementary School is offering yearbooks for the 2022-2023 school year. Pre-orders start in January and will continue through April 15, 2022, with delivery expected on or about early June. Early-bird price of yearbook is \$25.00 from January 1-April 15. Yearbook Orders after April 15th will cost \$28.00. Yearbooks will be distributed to students in June 2023. To order a School Yearbook, follow these 2 easy steps:

Step 1: Please complete this DES Yearbook Order Form. DES Yearbook Order Form:

<https://forms.gle/6RkyU5Q3Jr2ZBrK26> This indicates your interest in purchasing a school yearbook.

Step 2: Submit your payment for the DES Yearbook. (There are 3 options for payment)

Payment Option 1: Purchase yearbook online through Online School Payment:

<https://mcpsmd.schoolcashionline.com/>

Payment Option 2: Purchase yearbook with check payable to “Diamond Elementary School” and submit to school’s main office.

Payment Option 3: Purchase yearbook with cash payment (exact payment only: \$25.00) and submit in an envelope addressed to Diamond ES Yearbook to the school’s main office.

We prefer online payments: <https://mcpsmd.schoolcashionline.com/>. As mentioned before, we also accept checks made payable to “Diamond E.S.” or cash payment (exact change only). Any questions regarding the yearbook, please contact Mr. Desai @ Rahul_G_Desai@mcpsmd.org.

Diamond Elementary Yearbook 2023 order

Only return this tear-off form if you are submitting cash or check payment.

Student Transfer Application Season Scheduled from the First School Day in February 2023, Through the First School Day in April 2023

Montgomery County parents/guardians who wish to request a Change of School Assignment (COSA) for their children from their home school may begin the process during the upcoming transfer season – the first school day in February through the first school day in April 2023.

Students in Montgomery County Public Schools (MCPS) are expected to attend the school within the established attendance area in which they reside (home school) or assigned in accordance with their Individualized Education Program (IEP). Students may apply for a COSA from the home school, or the school of assignment through the IEP process, based on the following criteria:

Students may apply for a COSA when:

- Extenuating circumstances related to their specific physical, mental or emotional well-being or their family's individual or personal situation could be mitigated by a change of school assignment.
- When a family moved within Montgomery County who wish to continue attending their former home school may request a COSA without demonstrating a unique hardship. Such requests may be considered for a remainder of the current school year only, with the exception that students in Grade 11 or Grade 12 may be granted a COSA to stay through high school graduation.
- When a student seeks to attend the school where a sibling will be enrolled in the regular/general school program, or a special education program, during the year the student wants to enroll.
- When a sibling attends a magnet, language immersion or other application program at elementary level, a COSA may be approved to the regular school program for other sibling on a case-by-case basis. Such approval Requires consideration of available classroom space, grade-level enrollment, staffing allocations, or other factors that impact the schools involved.

The criteria above regarding siblings does not apply if the sibling is in PreK or if a boundary change has occurred.

English and translated copies of Form 335-45, Request for Change of School Assignment, is available online at <https://www.montgomeryschoolsmd.org/info/transfers/>.

Please note that starting with students who entered Grade 6 during school year 2021-2022, a student attending a middle school on a COSA seeking to attend the high school in that middle school's feeder pattern will have to reapply for a COSA and demonstrate unique hardship.

The transfer process begins in the home school where parents/guardians may request the *COSA Information Booklet that contains the COSA form, describes the process, and provides useful information. Beginning the first week of February 2023, the COSA booklet will be available in both English and Spanish. Exempt countywide programs that do not fall under the transfer guidelines are listed in the booklet.*

For information about assignments for students residing in the Northeast, Downcounty or Middle School Magnet Consortium areas, please contact the Division of Consortia Choice and Application Program Services 240-740-2540 or visit the website at www.montgomeryschoolsmd.org/departments/schoolchoice.

For more information about the transfer process, parents/guardians are encouraged to contact the school's main office team at their home school. Non-English speaking students and parents/guardians who may require assistance may contact ASK MCPS to get the information they need by telephone at 301-309-MCPS (6277). Telephone operators who speak English and Spanish are available from 7:30am to 5:30pm, Monday through Friday. Parents who speak languages other than English or Spanish who call the ASK MCPS telephone line and identify their language will have their questions answered through a telephone interpreter.

Diamond Elementary Arts Program

March Newsletter

What is going on in **Art** class during March?

Kindergarten will be creating layered artwork in the style of Basquiat.

First Grade will be creating paper masks.

Second Grade will be creating three dimensional mini art galleries.

Third Grade will be creating Japanese Notan-style collages.

Fourth Grade will be creating coil pots out of clay.

Fifth Grade will be creating stained glass inspired artwork using oil pastel.

What is going on in **Music** class during March?

Kindergarten - Students will produce appropriate sounds in response to picture symbols representing long/short and high/low sounds. Students will maintain the steady beat on found sound instruments and using locomotor and non-locomotor movements. Students will learn simple circle, hand, and partner games.

1st grade - Students will be working on reading simple rhythm and pitch patterns. Students will notate simple rhythm and pitch patterns, placing notes in spaces and on lines. Students will identify musical form that is the same or different (AB or ABA).

2nd grade - Students will be working on reading simple rhythm and pitch patterns and musical symbols. Students will sing with proper breath support and posture. Students will maintain a simple drone or bordun on barred instruments. Students will learn dances from various cultures.

3rd grade - Students will read simple melodies and interpret music symbols to perform songs on the recorder. Students will sing in 2–3-part rounds. Students will listen to, sing and play songs in compound meter. Students will learn dances from various cultures.

4th grade - Students will read, perform, and notate rhythmic phrases from standard notation. Students will listen to, sing, and play songs in compound meter. Students will learn dances from various cultures.

5th grade - Students will read, perform, and notate rhythmic phrases from standard notation. Students will listen to, sing, and play songs in compound meter. Students will continue to sing partner songs and create simple improvisations. Students will learn dances from various cultures.

What is going on in **Physical Education** class during March?

Kindergarten students will be working on fundamental jumping and landing patterns.

1st grade students will be working on jumping and landing for height and distance, as well as jump roping.

2nd grade students will be working on jumping and landing a self turned short rope, as well as turning and jumping a long rope.

3rd grade students will be working on sequence, rhythm, formation and coordinated movement by creating a solo dance routine.

4th grade students will be working on unison, and other dance relationships by creating a partner dance routine.

5th grade students will be working on creative dance by creating a group dance routine
