MEDICATIONS DURING SCHOOL HOURS

All medications that are brought to school (even over-the-counter medications such as Tylenol, etc.) must be administered under supervision.

This policy covers even short-term use.

Please contact our school health room technician, Ms. Ticey Harris to obtain the proper forms.

If your child will need medication for the opening of school, please contact the school office ahead of time to obtain the appropriate papers. **At no time may a student carry medication in a lunch box, pocket or book bag.**
