Principal's Message

Dear GES Families,

We've had an awesome first week and a half of school! I am increasingly impressed with our staff's focus on providing an excellent instructional program for our students. I am equally impressed by our students' zest for learning as well as their kind and respectful manners.

Tomorrow (Thursday, September 12th) parents have an opportunity to attend our annual **Back to School Night** to hear about the instructional program. It'll also be a great opportunity for families to meet and greet other GES families as well. At 6:40pm, the PTA will have information tables set-up to sell GES spirit wear and establish PTA memberships. Then at 7pm, the official program will begin with all community members meeting for an introduction of staff and a general information session in the All-Purpose Room (APR). Around 7:35pm, families will be dismissed to classrooms to hear more about their child's instructional day, academic program, and expectations. As always, there will be a second classroom session scheduled (around 8:10 PM) so parents may meet another one of their child(ren)'s teachers, if that is the case.

Otherwise, after the first session parents are invited to visit more of the PTA tables or make it an early evening and go home. Please note, Back to School Night is a night designed to give an overview and not designed for parents to ask questions about their individual child(ren). Please call or set-up an appointment with your child's teacher, at another time, or wait until your child's teacher spends more time with him or her and can offer greater individual insight during the parent-teacher conferences in mid-November. Also note, **no child care is offered** tomorrow evening and due to the settling of the new gym floor, we will not house students in that space as we've done in previous years. Children who attend must be with their parents at all times. The school/staff will not accept responsibility for students playing unsupervised in the building.

Since mid-August when I sent our summer news- letter, we had some **additional staff updates** to share. We are pleased

Child Abuse & Neglect

Montgomery County Public Schools (MCPS) **mandates child abuse and neglect prevention training** for volunteers who regularly support all schools. Volunteers who took the training within the last 2 years do not need to repeat it at this time. New volunteers may access the training, "Recognizing and Reporting Child Abuse and Neglect: for Volunteers and Contractors," through the MCPS website at www.montgomeryschoolsmd.org/childabuseandneglect. Volunteers will receive an email confirmation to verify their completion of the online training module. Please forward this confirmation to either Jennifer Atanda (school counselor) or Aisha Dukes (attendance secretary) or provide a copy of the confirmation to verify completion of the online training module before volunteering in the school or for a school sponsored activity, such as a field trip. We keep a database of those who have completed the training and notify the students' classroom teachers.

PTA News

GES Parents,

For those of you who do not know me yet, I am Meghan Lowery. I have 2 boys (1st and 2nd graders). This is our 3rd year at GES and I speak from personal experience when I say that getting involved in the PTA makes this school, and these years in your child’s life, a completely different experience. Our first year I “joined” the PTA. I completed my membership form, paid my dues, and we attended Pajama Reading Night. I didn’t feel a sense of community though. I didn’t feel like I knew the teachers, the staff, my kid’s friends, or their parents. Last year Danielle Story (PTA President Elect) and I made a pact to get involved. We started early with the October PTA meeting and attended the Fall Harvest Dance. Before long I had found time to make all the PTA meetings, attended several events, and even volunteered at the Book Fair and Movie Night. The school started to feel like a community, I felt like I had a voice, and my kids loved being more involved.

I hope you can join us for the first PTA meeting on **Tuesday, October 1st** in the Media Center and discover

where you fit with the PTA. Meetings are always the first Tuesday of the month (except December and April) at 7pm. If you’re able, come a little early for light refreshments and conversation at 6:45. We welcome fresh thinking and new ideas. Help me, help you, to make GES the awesome school and community as I had discovered and know it to be.

Volunteer opportunities are plenty during the school year! We have the following committee chairs vacant and waiting for your leadership:

- Cultural Arts
- Hospitality
- Spirit Wear
- Teacher Appreciation
- Grounds Beautification

One last thing before I sign off, SPIRIT WEAR! Coming soon. Keep an eye out for the long-sleeve spirit wear order form in your student’s red folder. If you miss this opportunity you will have to wait until the spring short-sleeve sale happens. We’ll place a heads-up on Facebook and Twitter.

Feel free to reach out to me with any questions at gesptapresident@yahoo.com

Best,

Meghan Lowery
