

November 2019

.....

Eagle Nest News - Pre-K

Literacy

This month, in literacy, we are focusing on the theme, Our Community. The students will be learning to demonstrate an understanding of basic features of print. They will learn to recognize upper and lowercase letters of the alphabet and letter sounds. They will begin to identify words in a sentence by using snap cubes as each word is said in a sentence. We will continue practicing name writing using an uppercase letter

followed by lowercase letters.

.....

Math

This month, in math, the students will identify written numerals 0-20. They will verbally count to 10 by ones and then develop rote counting to 20 by ones and moving forward to 100. Students will be identifying simple shapes, sorting, measuring and comparing lengths. Students will be introduced to simple maps, comparing distances, and position words.

.....

IMPORTANT UPDATES:

- If you plan to volunteer and haven't taken the Abuse and Neglect Online Training, please do so and send in a copy of your confirmation e-mail. The link to the training is: <http://www.montgomeryschoolsmd.org/childabuseandneglect/>

Counselor's Corner

Hello Parents and Guardians,

Thank you to everyone who participated in the Kids Helping Kids Food Drive last month. We received many donations, all of which will go to families in Montgomery County. Also, thank you for your support with the Costume Swap. Many more students were able to wear costumes because of your donations.

Mattie Miracle Cancer Foundation: If you have any leftover Halloween candy please consider donating this candy to the Mattie Miracle Cancer Foundation. Glen Haven Elementary School will be collecting candy through Wednesday, November 6, 2019. The candy is donated to five hospitals and 10 childhood cancer organizations, specifically at Children's National Medical Center (Washington, DC), MedStar Georgetown University Hospital (Washington, DC) and Children's Hospital at Sinai (Baltimore, MD). The candy helps to stock a free snack/item cart that is offered to families caring for children in the hospital. There will be a box located near the entrance of the school for candy donations.

Coat Drive: Please donate any unwanted, clean coats or jackets to Glen Haven Elementary School between November 25, 2019 and January 24, 2020. These coats will be given to Glen Haven students who are in need of winter coats.

Clothing to Cash: Please continue to collect unused and used (in all conditions) clothes, shoes, sneakers, sheets, towels, and textiles and place them in the white **Clothing to Cash** collection bin located near the side parking lot. Just place these unwanted items in a plastic bag (tied) in the bin, and for every pound collected, Glen Haven Elementary will receive money.

Thank you for your support. Have a fantastic November.

Rebecca H. Willis
School Counselor
