Winter After-School Activities

Most after-school activities begin this week - Register today!

Has your child talked about starting a hot cocoa stand? Do they show magic tricks to their family and friends whenever they get the chance? Are they curious about becoming a veterinarian? Perhaps they're interested in coding and developing video games? And, maybe they enjoy making art - through painting or pottery, or both!

There are after-school activities for each of these kids! (And several more!) There are 19 different offerings available during the winter session! Click the link below to see the program options and register.

New to Kiddo? Check out the [guide](#) as well as [flyers](#) for our vendors.

International Night: February 22nd

[Singer International Night](#) is coming soon!! This event is where the Singer community gets to show off its vibrant colors – families set up tables representing different countries with artifacts, books, games, food samples, traditional clothing, language, music, etc., and performers from around the globe provide entertainment. Kids get a 'passport' as they 'travel' around the world, going from table to table to learn about the different cultures and checking off the countries they have visited.

*****New this year***** The PTA will support each table host with a stipend of up to \$25 to cover expenses for their display. Instructions for reimbursement will be provided when you sign up.

If you would like to show off your heritage, or just a place that is dear to your heart or where you may have lived before, please sign up [here](#).

International Night is a fantastic opportunity to showcase our diversity and teach and learn about the different cultures represented here!

Immunizations and Medications

It is very important that your child is up-to-date on his/her immunizations. If you are not sure, please check with your doctor.

The state law mandates that children not be admitted to school without the proper immunizations. Medications must be brought to school in the original container by an adult along with MCPS Form 525-13 (Authorization to Administer Prescribed Medication) completed by your physician. Medication will not be administered without proper authorization. Please contact our Health Technician if you have any questions.

School Cash Online

Montgomery County Public Schools has transitioned to a new online payment system called SchoolCash Online as its preferred method of payment for school-related fees such as fundraisers, field trips, obligations, etc.

SchoolCash Online helps parents/guardians and community members pay school-related fees safely, quickly, and easily.

SchoolCash Online will help increase efficiency and security at schools by making payments directly into schools' bank accounts and eliminating the need for teachers to handle money. In addition, once registered, you will be immediately informed about school activities!

Powered by KEV Group, SchoolCash Online is the industry leader in the management of school fees. The new system puts all of the school-related fees online for purchase so users can make purchases online using a credit card or e-check. A processing fee will be included on all items available for purchase, regardless of the type of payment used on SchoolCash Online or at the school.

Parents/guardians can register now at <https://mcpsmd.schoolcashonline.com/>

SchoolCash Online also offers a 24/7 customer support desk that can be reached by online inquiry or by calling 1-866-961-1803.
