#### **Harmony SEL**

As a school we just finished a special piece of our Harmony Curriculum called Building Community. Students participated in activities to get to know each other, make friends, and create a happy space for learning. They also learned about three important practices we use to build relationships and help our learning: Meet Up, Buddy Up, and Harmony Goals.

Key strategies from this unit included:

- Meet Up: This is when we gather as a class and share our experiences, solve problems together, and get to know each other better.
- Buddy Up: This is when we get to buddy with another student each week. We will get to better know our buddies, work together, and learn together.
- Class Harmony Goals: These are agreements we make as a class on how we want to treat each other and learn together.
- Personal Harmony Goals: Each student will decide on their own goals for what they want to learn and how they want to support the Class Harmony Goals.
- Get-to-Know-You Activities: Four short lessons will help us find things we have in common, build a good community in our classroom, and see how important each of us is to this community.
- We are now beginning Unit 1: Being My Best Self

You can find information on this unit in the links below.

K-2 Home Connection Letter English & Spanish

#### 3-5 Home Connection Letter English & Spanish

Remember, it is important to talk about and practice these skills at home too. You can find several ideas for this in the "Home-to-School Connections: Home Activities" in the links.

Thank you for supporting Harmony at Singer. If you have any questions about what we are doing, please feel free to ask. You can also find more information at harmony-academy.org.

## **Smart Sacks: Weekend Food Bags**

Would you like extra food for your children on the weekends? Smart Sacks is a free program that gives a bag of food to elementary school children who would benefit from extra food for the weekend when there is no school lunch or breakfast. At the end of each week, children who are participating in this program will receive a bag of food at school to bring home. If you would like your child to participate in the program, please complete the permission form below. More information about the program is provided in the permission form.

#### Holiday Help for Families: Holiday Giving Project of Montgomery County

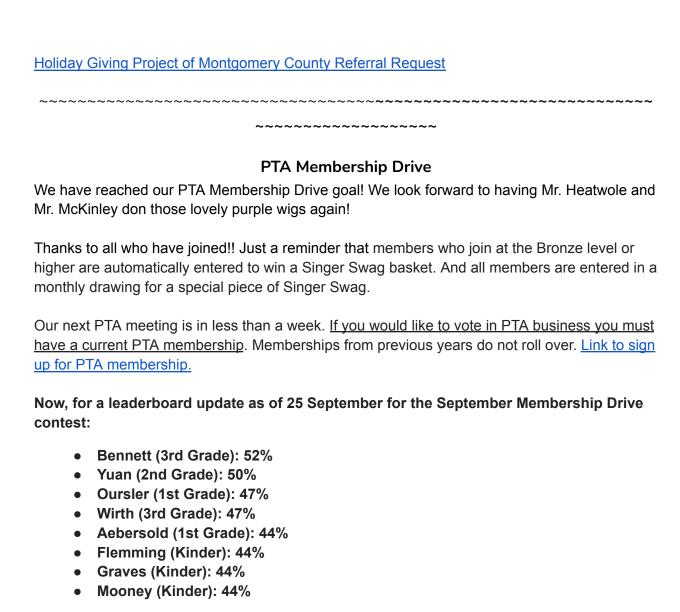

If your family is in need and would like to be referred for possible assistance for the holiday season (November and December Holidays), please complete this referral form to provide the required information. Resources are limited: please apply only if you and your family are truly in need. While a referral is not a guarantee of assistance, the Project helps as many families in need as donations allow.

The Holiday Giving Project has provided Thanksgiving and December holiday assistance to low-income households for over 30 years. A network of social workers, school counselors, and human service professionals refer families in need of assistance. Local non-profits, faith-based organizations, and public agencies serve Holiday Giving recipients, as donations are available.

This form is for Flora Singer Families ONLY. Families at other schools must ask their school for a referral.

For the best chance of receiving resources, please complete the request form as soon as possible.

If you need help completing the request, contact Veronica Gonzalez at 240-550-3254 or veronica gonzalez@mcpsmd.org

Would love to see how many classes can reach that 50% or more threshold!

Thank you to everyone who has signed up for their 2024-2025 membership already. We look forward to having more members join soon!

PTA Volunteer Opportunities			
Parent volunteers are the heart and soul of our efforts to provide Singer students and families with enriching and fun programs all year long! We know it can be intimidating to take on a new role, but we have options for everyone. If you want to shadow someone to learn the job for next year, we've got many opportunities to do so. If you want to take on more responsibility with more influence and engagement with the schoo administration, we have those opportunities too. And if you're a K-2nd parent, we really need your help! Many in our current volunteer group are graduating in the next two years, and we are in danger of losing our #singermagic without your help now! Please sign up here to volunteer (or learn more about volunteer opportunities).

(Last?) Call for Room Parents			
Thank you to all who volunteered as Room Parents - we are VERY close to having at least one Room Parent for each classroom! We're still looking for a Room Parent in the following homerooms: Berry Christenen Ganon Riley (Mr.) Labastida 			
If you're interested (or even just willing) - email Shira Printup (shira.fishman1@gmail.com)
