MCPS requests your consent to allow your student to use the supplemental tools listed above, as these tools may collect personally identifiable student information, such as first and last name, classroom teacher, or grade level. This information is typically collected by online digital tools to enable use of the tool and to track student progress.

Descriptions of the above supplemental tools are provided on the following pages. Links to each supplemental tool's terms of service and privacy policy, as well as additional information on MCPS' data privacy practices, are available on the [MCPS Data Privacy and Security website](http://www.montgomeryschoolsmd.org/data-privacy-security/)¹.

If you choose not to provide consent for your student to use the above tools, alternative instructional activities will be provided.
