Return to School Update

The Board of Education met January 28 to discuss a plan for the return to in-person learning. At Rosemont we are currently collaborating with MCPS to proceed with a plan for the phased in-return of students beginning March 15. The next board meeting is scheduled for February 9. During that meeting, MCPS will present more information on a plan for the return to in-person learning. After that meeting, we will provide a detailed timeline to parents, including specific information on what in-person experiences will look like for students.
