

Good evening Rosemont Families,

I hope you are staying safe and healthy. This week's **Rosemont Community Connection** features four important messages.

RES Summer School

We are excited to report that over 250 Rosemont students enrolled in Virtual Summer School! Each student will be contacted before Wednesday, July 8 with their schedule and zoom codes. Please check your child's myMCPS Classroom account for more information. If you have not received a schedule by Thursday, July 9 please contact Markia Roberts at Markia_R_Roberts@mcpsmd.org.

Student Registration for 2020-2021

Do you have an upcoming Kindergarten student? Or know anyone who needs to register for the 2021 school year? Start the enrollment process now! Visit the website at https://bit.ly/MCPS_Registration_Survey or call (240) 740-5999 for any questions.

Summer Reading and Math Packets

All rising 1 – 5 grade students are encouraged to complete the Rosemont Summer Reading and Math Packet. Packets are located outside the school building and may be picked up at any time! Please work with your child to complete the assignments. All completed packets should be returned in the fall and students will be recognized for their hard work over the summer.

Sunday Messages

This is the last Sunday evening message until August. If you have any questions over the summer please call the office at 301-840-7123.

This concludes the weekly Rosemont Community Connection. Have a wonderful and restful summer. Stay safe and be well.
