Safety at MCPS Sporting Events

To all Gaithersburg families of elementary and middle school students: Friday, September 1st, the fall sports season begins. Below is some important information related to students in K-8 attending high school sporting events:

- All students in grades K-8 may only attend high school sporting events with a paid adult.
- Unaccompanied grade K-8 students will not be permitted to enter the high school events.

- The adult must remain at the game for the entirety.
- Adults will be responsible for the behavior of your grade K-8 child while at the event.
- K-8 students are expected to follow the MCPS Student Code of Conduct and behavior properly at the high school events.
- Inappropriate behaviors will result in the removal of the K-8 child from the event & may result in the inability of that student to attend subsequent games.

This concludes the weekly Rosemont Community Connection. Thank you and have a nice evening.
