### **Students Returning for In Person Learning**

Is your child returning to school on Monday, March 15? Only those students who have opted to return to school in person should return to Rosemont on Monday. All other students should log on for virtual learning via Zoom. If you are unsure whether your child is returning in person, please contact your child's teacher as soon as possible.

### **Grades 4 and 5 A/B Week Rotation**

Week of March 15- **WEEK A**

If you are a Week B student in grades 4 or 5 you will not return in person until March 22.

### **Returning to School In Person Reminders**

March 15 is the first day of in person learning! Families opting to send their child to school for in- person learning please read the following reminders. We can't wait to see you on Monday!

- Attach a tag to your child's backpack with their first and last name, teacher name, grade level and how they will go home (bus, car ride, walker, global)
- Since water fountains will not be available, please plan to send your child with a plastic water bottle
- Ensure your contact and emergency contact information is updated in the Parent Portal on Synergy.
- While the school will have masks for students, we suggest having at least 4-5 masks to use in rotation to ensure a comfortable, safe fit
- Develop a plan for emergency pick-up. There must be a person who can pick up your child at all times

### **Return to In Person Orientation Recording and Presentation**

The return to in person orientation meeting held on Wednesday, March 10 was recorded for your convenience. If you would like to view the presentation, please visit the RES website. Please take some time to review the information shared regarding Rosemont's plan for in person instruction.

As a reminder, please follow our school on twitter @RosemontElem to receive virtual tips and tricks and updates and to see our students and staff engage in fun learning! This concludes the weekly Rosemont Community Connection. Thank you and have a good evening.
