

# Mlle. DICKO, First Grade

## Teacher

### All about me:

I studied in France, Mali and at Walden University.

Gymnastic, Swimming and Basketball are my favorite sport.

I love to spend quality time with my family, to build long lasting memories with them! I also love watching movies and going to restaurants.

One of my favorite things to do is to travel and to discover new cultures, traditions as well as tasting different types of food.

## "Home of the Salamander"
