

Der parints,

Az ur child brings home riting for the ferst tim, do not be serprizd at the speling. The inglish langwij is confusing for studints. Insisteng that studints uz standard or "correct" speling inhibits their dezir and ability to rit. We will uz "inventive spelling" in r wrk. This iz wun uv the ferst steps to becuming a grat riter.

Az parints, u can hlp ur child bi prazing awl thair riting. Let ur child red thair riting to u. Displa thair riting around ur hom. No that as ur child becomz familyer with riting, he or she wil mak the tranzishun to standerd speling.

Thank u,
