Figurative Language Assessment

Underline the figurative language. Write the meaning of the figurative language.

1. Most students believe their teachers are as old as dirt.

2. The little girl was a ray of sunshine.

3. The girl was green with envy when she saw my new dress.

4. The wrestler was seeing stars after the last match of the night.

5. The children had rosy cheeks after running in the snow.

6. After looking at some of the sites and playing some of the idiom games write two sentences that describe you. Use figurative language, specifically idioms in your two sentences.
