ELEMENTARY SCHOOL

WYNGATE SCHOOL IMPROVEMENT SMARTIE GOALS

Literacy SMARTIE Goals FY 24-25

District Literacy Goal:

By the end of the 2024-2025 school year, **at least 90%** of **all** students will meet the academic milestone for proficiency in literacy

School Literacy Goal (This represents the overall **student achievement** of an underserved focus group(s). Achieving this goal will be essential in order to accomplish the District goal for **all** students, and address the root cause of inequity at the school level):

By the end of the 2024-2025 school year, our Hispanic students will achieve an EOL mark of 90% in Literacy.

Gap Reduction Goal (This represents the **individual projected growth** for students. Achieving this goal will close gaps between student groups; it reduces predictability in outcomes and supports the achievement of both the school and district goals; accomplishing this is essential to close gaps in student experience and achievement, which will therefore support the school in accomplishing both the school and district goals):

By June 2025, 95% **96% or more of the Kindergarten** students will meet the literacy benchmark on DIBELS with a composite score of 420 or higher.

Math SMARTIE Goals FY 24-25

District Literacy Goal:

By the end of the 2023-2024 school year, **at least 90%** of **all** students will meet the academic milestone for proficiency in math

School Math Goal (This represents the overall **student achievement** of an underserved focus group(s). Achieving this goal will be essential in order to accomplish the District goal for **all** students, and address the root cause of inequity at the school level):

By the end of the 2024-2025 school year, our Hispanic students will achieve an EOL mark of 92 % in Math.

Gap Reduction Goal (This represents the **individual projected growth** for students. Achieving this goal will close gaps between student groups; it reduces predictability in outcomes and supports the achievement of both the school and district goals; accomplishing this is essential to close gaps in student experience and achievement, which will therefore support the school in accomplishing both the school and district goals):

By the end of 2024-2025, **at least 60%** of Hispanic students will **exceed** their individual projected growth goals on the Measurement of Academic Progress in math (MAP-P/M) assessment from Fall to Spring.

Culture/Climate SMARTIE Goals FY 24-25

By June 2025, 90% or more of our students will “agree” or “strongly agree” to the survey question “I feel safe at school.”

Well-Being SMARTIE Goals

By June 2025, we will decrease the percentage of “chronically absent” students from 10%of the overall student population to 7%.
