APPS Faculty Spotlight

Corinne McCloskey

This is my first-year teaching in MCPS. I am so excited to start my journey as an educator at CHS because this is where I graduated from back in 2016! I love the atmosphere of Clarksburg; it's a place where everybody belongs. I appreciate the APPS program because there is a variety of perspectives and personalities that it feels like a small community. As the marking period comes to an end, I've appreciated seeing the progress of my students.
