Course Description:

Cosmetology is a three-year program. Students in Cosmetology are instructed in the science and art techniques of the beauty industry, focusing on hair, nails, and skin care. Areas of theoretical instruction include professional development, safety and sanitation, bacteriology, human anatomy and physiology, mathematics and measurements, chemistry, salon business, and diseases of the hair, skin and nails. Students also gain experiences through hands-on practice with actual clients in areas of hair styling, haircutting, hair coloring, manicuring and pedicuring, and chemical texture services.

Resources and Supplies:

- MCPS Google drive
- Cosmetology kit
- Uniform including work-duty shoes (must be leather, closed toe and heel, no heels)

Credit Hours, Work-Based Learning, and Licensing:

Credits: 3 credits per year toward graduation requirements

Student Service Learning Hours: 30 per year

Work-Based Learning: Opportunity to work in salons under supervision of MD Senior Licensed Cosmetologist

Cosmetology Classroom Clock Hours: 500 per year totaling 1, 500 required hours for completion

License: Maryland State Cosmetologist

Grading Policy:

The Maryland State Department of Education and State Board of Cosmetology mandated Cosmetology students maintain a minimum of 75% on all competencies.

The Marking Period grade reflects the percentage of mastery of the objectives for class work in the Cosmetology program. This includes presentations, projects, class assignments, homework assignments, and summative and formative assessments. The following MCPS grading scale will be used:

- 90-100 = A
- 80-89 = B
- 70-79 = C
- 60-69 = D
- Below 50 = E

Components of the grade:

- | | |
|---|-----|
| • Formative includes Practical Application and Theory | 40% |
| • Summative | 30% |
| • Learning and Employability Skills | 20% |
| • Homework | 10% |

In order for students to be eligible to participate, the Maryland State Department of Education and State Board of Cosmetology have mandated Work-Based Learning (on the job training), she/he must meet the following criteria:

- Successfully complete 1000 hours of combined theory and practical instruction
- Maintain a grade of 75% or better in both theory and practical performance /required competencies
- Maintain a 94% attendance rate

Student Expectations:

- Student behavior in class will reflect all rules as outlined in the Student Code of Conduct, the Student Handbook, and the Cosmetology program policies and expectations
- Students will be expected to maintain an exemplary level of attendance (94%)
- Students will be in the classroom and prepared for class before the tardy bell rings
- Students will be dressed in professional program attire. Students who are not dressed in uniform and prepared will not be permitted to participate in the practical aspect of class for that day and will receive no credit

Attendance Policy

The Maryland State Department of Education and State Board of Cosmetology mandated students maintain a minimum of 94% attendance rate.

Dress for Success

Uniform includes smock and work-duty shoes (must be leather, closed toe and heel, and flat rubber sole- no heels) for safety and sanitation purposes

Course Content:

- Completion of Maryland State Board of Cosmetology exam for licensure
- Employment in the cosmetology industry
- Establish communication and employability skills
- Develop career and college readiness

Major Projects:

Level 1,

Fundamental hair care.
 and Retention
 Fundamental scalp care.
 Fundamental nail services.
 Formulation
 Bacteriology and Infection Control.
 Hair structures, disorders, & diseases.
 Nail structures, disorders, & diseases.
 Skin structures, disorders, & diseases.
 Blood Exposure procedure.
 Roller setting.
 Permanent wave wrapping.
 Professional Development
 Soft Skills.
 Placements
 Communication.
 Life Skills.
 Chemistry.
 Electricity.
 Anatomy and Physiology.
 Resume Development.

Facial Makeup

Job Interview Skills.

Analyze Custom Haircut and Color Design
 Prepare for Maryland State Board license exam

Level 2, and

Client Consultation
 Customer Service.
 Color Theory and Formulation
 Haircoloring Applications.
 Permanent Waving.
 Wet Hairstyling.
 Thermal Hairstyling
 Principles and Elements of Design.
 Long- hair Design.
 Haircutting
 Foil Highlighting.

Waxing and Hair Removal
 Facial.

Salon Business
 State Board Laws and Regulations
 Trichology and Salon Ecology

Level 3

Client Consultation, Booking,
 Thermal Hairstyling and Design
 Color Consultation, Analysis, and
 Haircoloring Applications
 Permanent Wave Service
 Design Wet Hairstyling
 Design. Thermal Hairstyling
 Braiding
 Long- hair Design
 Chemical Relaxers and Texturizers
 Design Haircutting
 Design Haircoloring and Lightening

Hair Removal

Portfolio Development.
