

College Board (PSAT, SAT, & AP Tests) and/or ACT Testing Accommodations

If your student has accommodations in school through a 504 or an IEP they do not automatically receive the same accommodations for standardized tests (i.e. PSAT, SAT, AP, ACT). If you are interested in requesting accommodations for PSAT, SAT, AP or ACT testing, please contact your student's counselor. Please note that the request process can take up to 6-8 weeks.
