

## Who should take CCRD 1?

Students' who plan on taking an abbreviated schedule in their senior year must take CCRD 1 their sophomore or junior year and then enroll in CCS (College Career Seminar) and SBWE (Site-Based Work Experience) their senior year. You will not be able to take a half day work schedule without being in this program. This program is also a program completer.

## MEET OUR STUDENTS

Why do our students enjoy the CCRD Program? We asked, and this is what they had to say:

*"It gives me practice to succeed in life. I learned valuable lessons that helped me plan for my future."*

-Deyonne, CCRD Graduate

*"This class prepared me for the workforce and for the future."*

-Max, CCRD Graduate

*"It helps you get prepared for job interviews and what career you are interested in."*

-KELLIE, CCRD GRADUATE

## Focus On your Future

A Career Pathway Program

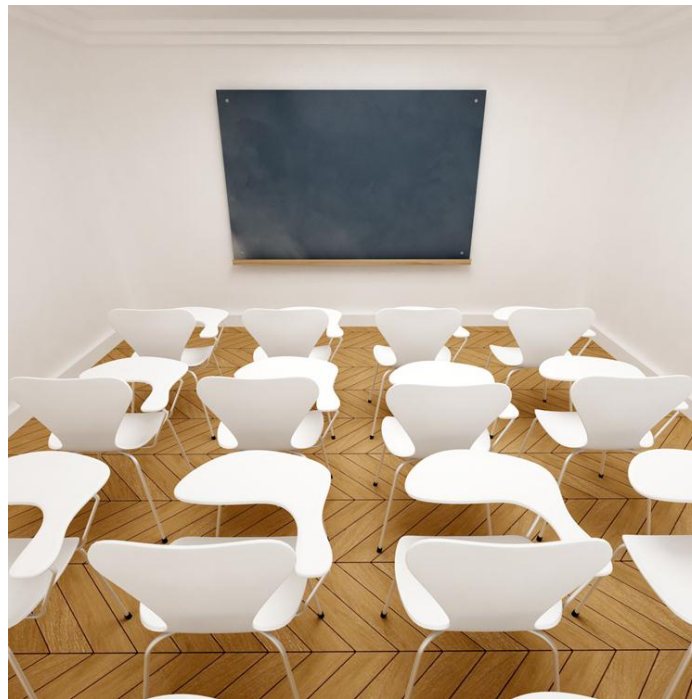

## What is CCRD?

College/Career Research & Development is a Career Pathway Program that will meet the CTE graduation requirement if taken in the sequence of CCRD 1, CCS (College Career Seminar and SBWE (Site Based Work Experience)). Any interested student may take CCRD 1 as an elective in their 10 or 11<sup>th</sup> grade year and CCS/SBWE their senior year. SBWE allows students to earn credits and get valuable work experience while taking an abbreviated schedule.

## What do I do next?

If you are in grades 10 or 11:

- Enroll in CCRD 1 A/B
- Senior year you will enroll in CCS/SBWE and take an abbreviated schedule to work for credits

## Why is CCRD a great program for me?

Students will:

- Create a vision of their future
- Identify their interests, aptitudes, and abilities
- Gain a competitive edge by mastering the skills of success: learning, thinking, and communicating
- Allows student to take an abbreviated work schedule in their senior year
