

Good Evening, Loiederman Families!

This is Megan McLaughlin, proud principal of LMS, calling with some important information. Tomorrow, Monday, January 24th is a Professional Day for staff. There is no school for students tomorrow, Monday January 24th. Tuesday, January 25th will be an EVEN Day.

- **COVID Reporting:** MCPS created [a Google form](#) for reporting your student's COVID-19 test results. We want to be sure families understand the timeline around exposures and positive tests. We have provided a [quarantine calculator](#) with all of the dates to help families determine if their child should return to school after testing positive for COVID-19. Again, please use the link above to report if your student tested positive and please use the calculator to determine timelines for your student's return to school.
- **Extra Curricular Activities:** Extracurricular activities will resume this week. Please be on the lookout for communication from your sponsor about days/times.
- **Historically Black Colleges and Universities College Fair:** The Historically Black Colleges and Universities (HBCU) College Fair, co-sponsored by MCPS and the Montgomery County Chapter of the NAACP, has been scheduled for Friday, February 18, 2022. The event will take place virtually for students in Grades 8–12 and their families to meet with representatives from over 50 historically black colleges and universities. Student and family registration tools are open using this [link](#).
- **PTSA Direct Donation Link for Picnic Tables:** The Loiederman PTSA is starting a direct donation campaign to help fund multiple picnic tables to support the continuation of outdoor lunches this school year and the years to come! If you are interested in making a donation, please use this direct donation link: [https://www.paypal.com/donate/?hosted\\_button\\_id=2SLVFHZY9VQUJ](https://www.paypal.com/donate/?hosted_button_id=2SLVFHZY9VQUJ)
