

Upcoming SSL Opportunities

~Unity Through Community ~

It is June! Time to celebrate the end of the school year and the beginning of the summer break! We thank the class of 2018 and look forward to watching you make your mark on the world. Congratulations! June is a great time to line up summer volunteer opportunities to get you engaged in your community while you have free time. Find a new location that you may not have considered volunteering at and get out and meet new people. We continue our theme of “Unity through Community” by promoting current SSL opportunities so students can be active members of their communities as leaders in civic engagement.
