

# GW CIA MUN CONFERENCE

---

ATTENDED BY 33 GAITHERSBURG MIDDLE SCHOOL DELEGATES

On Saturday, November 17, 2018, 33 Gaithersburg Middle School delegates competed in the Greater Washington Conference on International Affairs Model UN in Washington, D.C.

Adviser Mrs. Sanders and Principal Dolan gave a motivational speech before the conference began.

From the beginning our delegates actively asked questions.

There were 530 delegates from Washington, DC, Virginia, Maryland, and Pennsylvania.

Our delegates gave speeches to solve world problems.

Next came unmoderated conferences where the delegates worked with other nations to begin solving the issues.

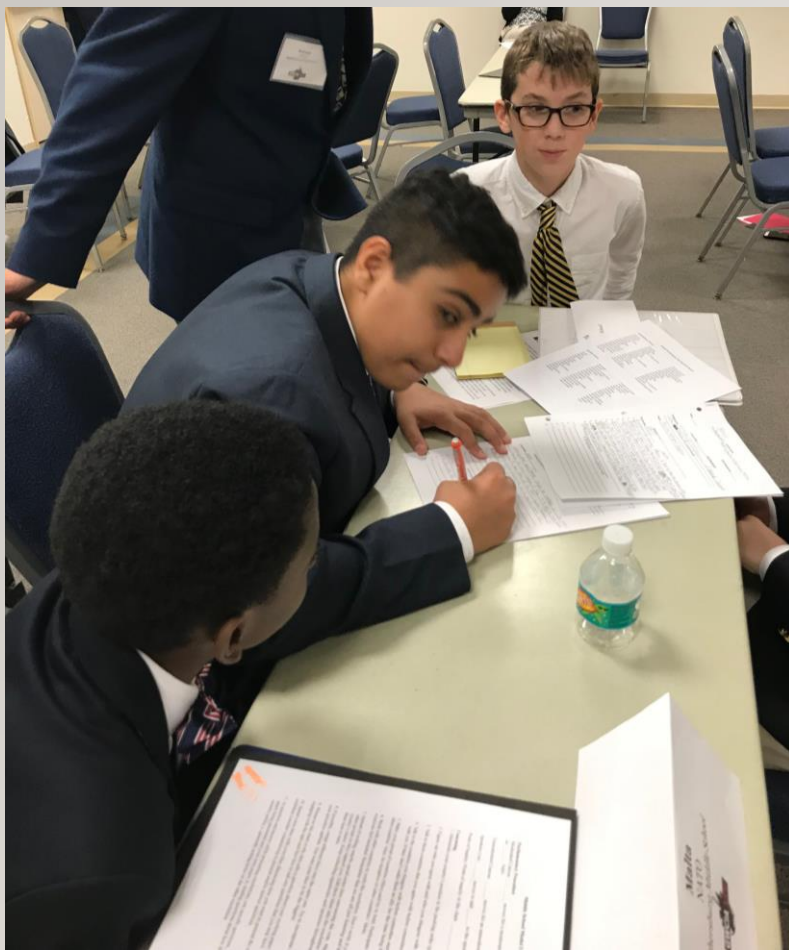

Lunch.

Finally the delegates wrote resolutions to solve problems.

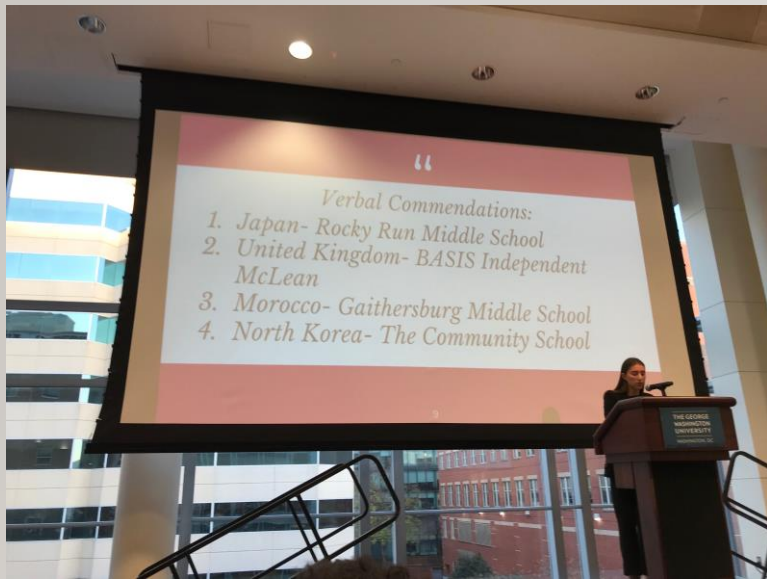

Resolutions were voted on and some were passed.

Some of our delegates were recognized for their good work.

In the end, we solved the world's problems.
