

North Bethesda After-school Fall Tennis Programs

[Varsity Futures](#) (Group A)

Co-ed Intermural Team Tennis for students aspiring to play on the high school team.

[Middle School Beginner & Intermediate Tennis](#)

Beginner & Intermediate levels (Group B)

Wednesdays 3:15-4:15p | October 4 to November 8 (Rain make up Nov 15)

Coach: David Robinson, USPTA & PTR certified Tennis Professional

[Varsity Futures](#) is an intermural co-ed afterschool club team tennis program crafted for middle school students who aspire to play on their future high school varsity tennis team.

The Fall 2023 six-week season will include four practice/training sessions and matches against **Westland MS** and **Pyle MS**. There will be one home match on the same day-of-week as practice sessions, and one away match on the day-of-week which the home team has their practice sessions. The away match transportation will be parent organized like other intermural sports.

[Varsity Juniors Tournament](#): 2-4p, Saturday November 4th at Walter Johnson HS. The event is an optional tournament for all three schools. Details will be emailed to Varsity Futures registrants.

Squad lineups will be determined by challenge matches with [WTN](#) ratings often used by college coaches for recruiting. The five-match format will follow [USTA Tennis-on-Campus](#), the highly popular college club sport league: [boys singles, girls singles, boys doubles, girls doubles and a mixed doubles](#).

[Middle School Beginner & Intermediate Tennis](#): This tennis program is crafted for beginning and intermediate skill levels. Using the game-based learning format, a short instructional component is followed by games incorporating the technical or tactical components demonstrated at the beginning of each class. The students have FUN, RUN & LEARN. Both doubles and singles are played with drill games. Students that improve sufficiently may have crossover practice time with Varsity Futures players.
