## OFFICE OF SCHOOL SUPPORT AND WELL-BEING

January 26, 2023

Dear Parent/Guardian:

The purpose of this letter is to provide information regarding the registration process for the upcoming spring season for middle school athletics. Spring 2023 interscholastic athletics online registration will be submitted through the [ParentVUE Portal](#), opening on January 30, 2023.

The ParentVUE online registration portal, available in English and Spanish, incorporates all required paper forms and documents into an internet-based platform that you can access using your secure ParentVUE Portal login. Parents/guardians are also able to scan and upload their student's physical as part of the registration process. Following are some important dates and action items regarding the registration process for the upcoming spring sports season.

Date	Action Item
<b>Now</b>	Students should complete their <a href="#">pre-participation physical (MCPS Form SR-8)</a> so that the medical eligibility form (last page of SR-8) is ready for online submission via the ParentVue Portal, prior to tryouts/practices. This form is valid for <b>two years</b> from the date of the exam and covers participation for all sports within that time period. This form must be completed and/or on file before a student-athlete can try out or participate.
<b>Now</b>	Parents/guardians should confirm access to the <a href="#">ParentVUE portal</a> . Parents/guardians who need login information should contact the registrar at their local school.
<b>January 30 at 12:00 noon</b>	The ParentVUE Spring Athletics Registration portal opens for parents/guardians. Information regarding the ParentVUE login portal is available on the <a href="#">MCPS website</a> .
<b>March 7</b>	Spring sports tryouts/practices may begin.

Additional information is available on the MCPS athletics website and on local school athletic department websites. During the online registration process, schools will provide access to computers for families in need of assistance. Thank you in advance for your support, as we strive to provide a smooth registration experience for all stakeholders across the MCPS athletics program.

Sincerely,

Jeffrey K. Sullivan, Ed.D.
