

Enrichment Academies

Enrichment Academies, Inc (EAI) is thrilled to return for a 9th year of managing the fee-based after school clubs program at Westland Middle School for the Westland PTSA. It is EAI's mission to provide a rich, rewarding and diverse after school experience to students. Clubs are offered directly after the students' school day, from 3:10-4:25pm and provide students opportunities to explore new activities, develop skills, exercise and connect socially with a greater cross section of their school peers outside the classroom.

EAI Club Experience

- **Club Schedule Overview**

EAI will provide an overview of the fall schedule by late August and an overview of the winter/spring clubs in December. This enables parents to start planning their child's schedule with other activities.

- **Club Catalog**

EAI provides an online club catalog through the Westland Listserve a week prior to the start of registration. Limited paper copies of the club catalog will be available in the school and counselor offices. The catalog provides details on the online registration process, club descriptions, club dates, pricing and club policies for parents. EAI encourages students to be part of the club selection process and collaborate with their friends in exploring club opportunities.

- **Open /Early Bird Enrollment and Registration**

EAI offers open enrollment, with a specific registration start date. Club fees for the first four days of each registration period will feature discounted Early Bird pricing. We urge all parents to take advantage of early bird enrollment so minimum enrollment numbers can be met and accurate rosters can be distributed to instructors prior to club start dates. After the four-day Early Bird window, online club registration will remain available at non-discounted club prices. EAI provides a simple, easy-to-use registration system. This system provides parents a weekly calendar view of the clubs along with specific club meeting dates and times.

- **Annual Registration Fee**

A registration fee of \$25 is required during each student's first club registration of the school year. This is an annual fee per student per school year. Once paid, subsequent club registrations for that student during that school year will not incur this fee. This revenue from this fee helps offset the cost of providing a quality after school club program. EAI does exempt Scholarship students from the annual registration fee.

- **Parent Feedback**

EAI welcomes and encourages feedback from parents. Your input helps to build a stronger program as clubs can be added or improved in subsequent sessions. All correspondence should be directed to Erin@Enrichment-Academies.com.
