White Oak Middle School
Mathematics Department
TI-83+ Calculator Lending Agreement

All algebra students are required to have a Texas Instrument (TI-83+ or TI-84) Graphing Calculator by Sept 16th. **We strongly encourage you to purchase a TI-83+ instead of borrowing one.** Your student will be required to have one in future math classes throughout high school and in college.

Our inventory of calculators is less than the total number of students taking Algebra. We will lend the calculators on a first-come first-served basis. If you choose to borrow a calculator, complete this form and return it with the \$45 deposit to your student's math teacher by September 11th.

Please read and initial the following conditions with your student:

_____ We will replace the 4 AAA batteries that are required to operate the calculator at our own expense as needed.

_____ We will keep the calculator in a secure location at all times.

_____ We will return the calculator in good working condition.

_____ We are responsible for any damage or loss to the calculator. If lost, stolen or damaged, our deposit will not be returned and we will pay an additional \$45 replacement fee.

To pay your deposit, please make check for \$45 payable to White Oak Middle School. Include the student's name on the check.
